But this morning is different: Last night Elle and her oldest friend, Jonas, crept out the back door into the darkness....

Address: Cavan Monaghan Libraries; Bruce Johnston Branch; 2199 Davis Road, Cavan Monaghan ON

Join staff on the fourth Thursday to take part in our Lego Challenge of the month!

Participants will be given instructions on what item they will be building within the hour and half time frame. Winners of the Lego Challenge will be given the opportunity to display their work on the circulation counter for the rest of the month.

Library staff are in the process of revamping our Lego section. We will be purchasing a variety of gears and axle parts which can be used to build robots, cranes and engineering vehicles. We will also be adding parts such as wheels and windshields to create cars and other modes of transportation. Also, stay tuned to find out what new min-figurines we will be adding to the collection!

\*If you have any Lego that you would like to donate to the library, please let us know! A lot of the fun toys/activities that we have to offer our patrons are donations from our generous patrons. We just ask that you phone a head of time to confirm that we do not already have an abundance of that particular item.\*
